Advising & Academic Support

Notice: As of March 9, our advising office operations are remote. Advisors are available via email at advising@math.washington.edu or virtual drop-in advising using Zoom.

Prospective Math and ACMS applicants are encouraged to attend an information session. Students should meet with an advisor if they would like to discuss admission decisions, course registration, academic progress, graduation, and more. Advisers are available in the Office of Student Services, C-36 Padelford.
