Polymatroids and finite groups
Ed Swartz, Cornell University

Wednesday, October 21, 2020 - 3:30pm to 5:00pm
via Zoom

Note: This talk begins with a pre-seminar (aimed at graduate students) at 3:30–4:00. The main talk starts at 4:10.

Join Zoom Meeting: https://washington.zoom.us/j/95020884635
Meeting ID: 950 2088 4635

The speaker will try to convince you that the analogy “Polymatroids are to finite groups as matroids are to finite fields” is nowhere near as crazy as it sounds.
