Required Tests for Graduate Admissions

Scores for all required tests must be sent by Educational Testing Service (ETS) to the University of Washington.

Test Codes

- All ETS Tests: University of Washington Institution Code 4854
- Department code is not required

**Graduate Record Exams (GRE) General Test:** All applicants except those holding earned doctorates from accredited U.S. institutions must submit official scores for the **GRE General Test** – verbal, quantitative, and analytical writing (or, if the test was taken before October 2002, verbal, quantitative, and analytical). In order to meet the application deadline, you need to take the test prior to December 15th.

**Graduate Record Exams (GRE) Subject Test:** The **GRE Subject Test** in Mathematics is required for PhD applicants, and is recommended for Master’s applicants. In order to meet the application deadline, you need to take the test prior to December 15th.

**English Proficiency for International Students:** Additional tests are required for international students to demonstrate English language and spoken English proficiency. Go to [International Applicants](https://math.washington.edu) for further information. In order to meet the application deadline, you need to take the test prior to December 15th.
