

## Online Grader and Teaching Assistant Positions

Do you want a flexible job that allows you to have a meaningful impact on younger students? Graders at [Art of Problem Solving](#) work on their own time providing feedback to bright young students. Want a more active role? Teaching assistants answer questions and encourage students in real time via our innovative [online classroom](#).

Our grading and assisting positions are an excellent opportunity for developing mentoring skills and earning money remotely in a flexible, convenient fashion. The hourly rate increases from **\$15/hr** to **\$20/hr**, depending on the amount of time that you spend doing work for AoPS within a specific month.

We primarily teach [math, programming, chemistry, and physics](#). Prior experience is not necessary. All you need is a strong command of the material, good communication skills, and a reliable internet connection!
