MATH MINOR

Declaring a Minor

Completed a minimum of 45 college credits.

Must be currently declared in a UW major.

Students will need to meet with their major advisor to declare a minor; no later than the third week of the quarter they plan to graduate.

Math Minor Requirements (30-31 credits)

- Only courses coded or co-listed as "<u>MATH</u>" can be used to fulfill the minor requirements; no exceptions.
- At least 9 credits of MATH courses numbered 301 or higher taken in residence through the UW.
- All MATH courses must be completed with a numerical grade of 2.0 or higher.

<u>Core Courses</u>

- ☐ MATH 124 / 125 / 126 (15cr) – Calculus
- ☐ MATH 307 (3cr) – Differential Equations
- ☐ MATH 308 (3cr) – Matrix Algebra
- ☐ MATH 309 (3cr) – Linear Analysis

> OR

- ☐ MATH 134 / 135 / 136 (15cr) – Accel Honors Calculus
- ☐ AP Calculus (10cr); posted to UW transcript

<u>Electives</u>

- ☐ 6 credits of MATH courses numbered 301 or higher.

    1. _____

    2. _____

Tips and Resources

Students are advised to wait until they have registered for the last MATH elective needed to complete the minor before declaring, and should plan to complete the course during summer quarter.
